

## MP3-Capable Music Maker™ Multimedia Player

Model 2385-03

1. 6 Watts RMS powerful enough for up to 75 people
2. Built-in electret mic records student progress, class projects and can't get lost
3. Digital controls on top w/ separate bass/treble controls
4. Top-loading CD player with CD/CD-R/CD-RW and MP3 playing capability to play CDs burned at home/school
5. CD digital counter and 2X cassette counter
6. Headphone/ microphone and external speaker jacks on rear for individual learning or to connect a jackbox for use as a group listening center
7. Phase Lock Loop (PLL) digital AM/FM stereo
8. Recessed speakers with protective steel grills to prevent accidental damage
9. External casing made with rugged ABS plastic for safety and durability in high-use situations
10. Cassette player also records from the CD player, radio and microphone inputs
11. Full-function remote control (RC2300-USB) for classroom flexibility and performance
  - AC and battery operation for indoor / outdoor flexibility
  - One year warranty for school use - unlike media players purchased from consumer electronics stores whose warranties would be voided if used in schools

**The MP3 capable Music Maker supports phonemic awareness, phonics, comprehension, vocabulary, ELL, ELD and other language learning programs. Built for reliability in schools, it delivers classroom flexibility with a cassette recorder / player, 20 track programmable CD player and AM-FM stereo.**
