

Portable CD Learning Center

Model CD102-PLC

Built for reliability in schools, the CD102-PLC enables students to work in a group or at their own pace for differentiated learning. It is ideal for literacy groups, language learning situations, ELL & ELD, Special Education and Advanced Placement applications.

1. Foam-lined polyethylene Storage Case
2. Four 3060AVS Stereo headphones
 - Fully adjustable with rugged ABS plastic for durability
 - Ambient noise reducing earmuffs for safety
3. 4-position stereo jackbox with individual volume controls
4. CD102 Player
 - Programmable memory functions
 - Line out connects jackbox for group listening functions
 - Digital LCD status display
- One year warranty for school use - unlike media players purchased from consumer electronics stores whose warranties would be voided if used in schools
